

CRIME ALERT

DATE OF RELEASE: May 25, 2015

There is an increase in theft from vehicles in the city. Thieves are searching for anything left behind in vehicles. Underground parkades and parking lots are targeted because thieves can break into multiple vehicles. These thefts are preventable by waiting for the garage gate to close, removing everything and securing your vehicle.

The New Westminster Police request vehicle owners to take steps in preventing these thefts. Report all suspicious and criminal activity immediately whether it is emergency or non-emergency. If we work together we can make a difference.
